RE: Shayne Crapo Mine - S/027/052

Dear Mr. Crapo:

We have reviewed a copy of your Notice of Intention to Commence Small Mining Operations and Notice of Intention to Commence Exploration Operations in Millard County, Utah. We received a copy of the notices from the Division of Oil, Gas and Mining on March 5, 1994.

This project is for surface mining Fossil Trilobites. It does not appear that the operation as described will have any water quality impacts. No permit from the Division of Water Quality is required for the stated activities.

If we can be of further assistance, please contact me or Mr. Lyle Stott of my staff.

Sincerely,

Kiran L. Bhayani, P.E., D.EE., Manager
Design Evaluation Section
